## Massage at the villa with Mora

Mora is a local masseuse that will bring her portable table and other equipment to the villa and give you a massage. Her price is \$75 per hour (subject to change without notice). Doxie can schedule the massages for you and confirm the price.

If you wish, she can bring a second masseuse and they can perform a couple's massage.

You may pay her cash, or we can pay her for you if you have established a credit line with us.

## Sapphire Falls and Jungle Spa

**(758) 716-8396**

**Drive time from the villa:** About 15 minutes.

**Driver Zone and Location:** Zone 1. Just off the main highway south of Soufriere, on the road to the drive-in volcano.

***Relieve stress by indulging yourself in the amazing spa treatments, a relaxing mineral bath, and an invigorating and warm waterfall shower.***

*Your stay will be hosted by the very friendly Jabrod Alcindor, which is the brainchild of the whole experience. He will also be your tour guide through a scenic, low-to-medium difficulty trek towards the beautiful waterfall. The hike usually takes somewhere between 15 and 45 minutes, and, in spite of a few areas with significant grades, it's achievable even by the elderly.*

*Along the way, the knowledgeable Jabrod will teach you everything there is to know about this tropical paradise, from the various types of plants and their medical uses, to the geology and history behind the sulfur springs. At the end of the hike, you will arrive at the secluded and crystalline waterfall where you will be in for a very tranquil time.*

*Nature lovers are sure to appreciate this naturally beautiful spot which includes a mud bath, handmade mineral spring pool, the waterfall itself, a minimalist changing room, and a bathroom. You can also enjoy full body clay masks which makes any skin feel amazing, as well as other types of massage and jungle spa treatments.*

They are open by appointment only, so be sure to call ahead of time. Apparently, they only allow one group in at a time, making this a private experience for you. Hence, the cost is higher than you would pay at other places. Prices seem to range between \$25 US per person and \$45 US per person, excluding spa services. It also seems they will cook a traditional coal-pot meal for you (price unknown).

Wear old/dark swimwear (same advice as for the volcano mud-baths). The black mud stains everything and is hard-to-impossible to get out.

Be sure to call John or Jahrod at the number listed (or ask Junior or Doxie to help you) and work out the timing and the pricing, and when and where to meet them. They don't seem to have posted prices anywhere that I can find, so be sure you are very clear on the cost before you make a commitment.

New and upscale spa. Extremely serene and excellent masseuses. We have a timeshare here and we always go to get pampered at least once during our stay.

Be sure to call ahead and check for availability.
