Junior is the driver that partners with us. He's a lot more than just a guy with a vehicle. He's a tour guide and concierge, and generally the guy that helps you get the most out of your vacation.

His prices are in US dollars and include a single driver and vehicle. If you hire him for all your transportation during your stay at Villa Grand Piton, he includes a complimentary planning meeting on your first morning. Tour service and the "VGP Special" plan have a limit of two returns to the villa per day; additional trips may be added at an extra cost.

Please note that Junior may send one of his employees or a trusted friend to drive you, and same-day changes are not guaranteed unless you are on the "VGP Special" Plan. A \$50 cancellation fee may be charged if you cancel Tour Service after 9 pm the night before.

You are not required to pre-schedule your service, but you may have to wait 30-60 minutes (or more) for pickup after you call.

Prices are for a single destination and are round-trip unless noted otherwise.

TOUR SERVICE

Junior can create custom tours starting and ending at the villa. Pricing is set by the maximum zone visited (see zone map next page). Extra hours or parts thereof are \$25 US each.

Number of passengers==>	1-2	3-4	5-6	7-8
Zone 1 (maximum six hours)	\$150 US	\$170 US	\$190 US	\$210 US

“SAND AND SUPPER” SPECIAL

If you schedule this at least the day before, there’s a 10% discount when you take two single-location round trips in a day. Both locations must be in Zone 1. Example: Anse Chastanet beach during the day then Rabot for dinner would be \$135 US for four people.

THE “VGP* SPECIAL” PLAN – THE MOST FLEXIBLE OPTION

Junior’s services can be exclusively yours if you hire him for your entire stay on a full-time basis. If you do this and pay at least 50% on the day of your itinerary planning meeting, there’s a 10% discount on the full-day prices. Full-day prices are the Tour Service prices. Airport trips are not discounted.

Example: four people, six-night stay. Five full days plus from/to the airport on the first/last day, and no extra time purchased on any trip. Cost basis is four days in Zone 1, one day in Zone 2, and 2 airport trips. The VGP Special price averages just under \$170 US a night.

PAYING FOR DRIVER SERVICES

Junior accepts only cash. Bring US dollars or get local currency from an ATM to pay him directly. Or you may pay us with a credit card (5% fee) or Zelle (2% fee) and we’ll pay him for you. You may use our payment service to make a partial payment in case you run out of cash.

DRIVER ZONE MAP

Please note that the zones shown are approximate. Some trips may incur a higher cost than the zone map shows given the limited number or extremely poor conditions of roads in St Lucia. Airport trips are excluded from Zone pricing.

Tours cannot include destinations both north and south of the villa on the same day.

Please confirm all prices with Junior during your itinerary planning meeting.
