Meals and Cooking Services

Prices are valid as of April 1st, 2026, but are subject to change without notice

We provide a welcome pack which typically contains: beverages (Coke, Sprite, beer, rum punch), snacks (such as chips and salsa), and a dinner of salad and one roti per person.

For a week's stay, here's what most guests do for meals:

- The first night dinner is salad and Doxie's roti (complimentary as part of the "welcome pack").
- They dine at the villa two or three nights by hiring Doxie on the "take care of us" plan.
- They dine at restaurants two or three nights.
- The other dinners are leftovers or they do their own cooking.
- Lunches are leftovers or eaten at restaurants while out on activities (or skipped).
- Breakfasts are usually made by guests, but a few guests hire Doxie to make it for them.

We provide local Green-Gold brand ground coffee and a selection of teas for your stay.

Prices are in cash US$. If you can't pay Doxie what you owe her in cash, Junior (the driver that partners with us) accepts Visa or Mastercard on Doxie's behalf at a 5% upcharge over the cash cost.

Doxie offers two options for cooking: "just cook" and "take care of us".

"**Just cook**": You plan the menu (she approves), you supply the groceries, and she cooks the agreed-upon menu.

"**Take care of us**": She plans the menu if you don't provide one, supplies the groceries, and does the cooking.

Please note all quoted prices are for "family style" meals where everyone has the same food. If you want multiples in a category (such as two entrées), there will be an upcharge. (Hint – dinner can have two proteins (appetizer and entrée) so you could use the appetizer as the entrée for some people.)

Not hungry enough for a full meal? You can hire Doxie to make single items for you (such as late-afternoon appetizers before you go to a restaurant for dinner). Ask her for price and availability.

Grocery shopping service: If you ask Doxie to shop for you and bring it to the villa, her fee is 10% of the cost of the purchases (minimum fee $20EC - about $7.50 US) per shopping trip. Give her the list before she leaves in the afternoon (or WhatsApp her before 9 PM), and she'll shop for you in the morning and bring it to the villa. If you require her to make a trip into town and back for supplies after she arrives for the day, there may be an additional fee of up to $30 US each way for a taxi as she doesn't own a vehicle.
